SUBJECT INDEX

Adrenocortical function	
The effects of neonatal social isolation on the behavior and endocrine function of Holstein calves	293
Age	
Grazing behavior responses of rangeland beef cows to winter ambient temperatures and age	201
Aggression	
Social behaviour and relationships of Przewalski horses in Dutch semi-reserves	71
Social interaction of the Przewalski horse (<i>Equus przewalskii</i> Poliakov, 1881) herd at the Munich Zoo	89
The development of aggressive behavior in male broiler chicks: a comparison with laying-type males and the effects of feed restriction	233
The effect of enclosure size on social interactions and daily activity patterns of the captive Asiatic wild horse (<i>Equus przewalskii</i>)	147
Agonistic behaviour	
Buddies and bullies: social structure of a bachelor group of Przewalski horses	169
Animal management	
Intensive farm animal management (book review)	383
Approach distance	
Relationship of three measures of behavior to milk production	307
Bar-biting	
Diurnal rhythm of bar-biting in relation to other behaviour in pregnant sows	337
Behavioural states	
The 24-hour time budget of Przewalski horses	5
Time budgets of adult Przewalski horses: effects of sex, reproductive status and enclosure	19
Bonding	
Response of bonded and non-bonded sheep to the approach of a trained border collie	251
Cattle	
A study of the investigatory behavior of the dairy cow	191
Behavioral patterns of Zebu bulls towards cows previously synchronized with prostaglandin F ₂ α	267
Factors influencing sexual behaviour of young <i>Bos indicus</i> bulls under pen and pasture mating conditions	281
Grazing behavior of rangeland beef cows differing in milk production	315
Grazing behavior responses of rangeland beef cows to winter ambient temperatures and age	201
Relationship of three measures of behavior to milk production	307
Response of bonded and non-bonded sheep to the approach of a trained border collie	251
Resting behaviour of Belgian White-Blue and Friesian fattening bulls in a tie-stall barn ..	259
The effects of neonatal social isolation on the behavior and endocrine function of Holstein calves	293
Variation in the grazing behaviour of dairy cows measured by a Vibrarecorder and bite count monitor	329
Chickens	
Discrimination by hens in favour of litter rather than wire floors? (Letter to the Editor) ..	363
Pecking: another measurement for filial attachment in group-reared domestic fowl chicks	357

Responses to social disruption in two lines of white leghorn chickens	243
The development of aggressive behavior in male broiler chicks: a comparison with laying-type males and the effects of feed restriction	233
Correspondence analysis	
Social behaviour and relationships of Przewalski horses in Dutch semi-reserves	71
Dog	
Response of bonded and non-bonded sheep to the approach of a trained border collie	251
Domestication	
Feral goat social organization: a review and comparative analysis	209
Feed restriction	
The development of aggressive behavior in male broiler chicks: a comparison with laying-type males and the effects of feed restriction	233
Filial attachment	
Pecking: another measurement for filial attachment in group-reared domestic fowl chicks	357
Flight distance	
Relationship of three measures of behavior to milk production	307
Foal	
Ontogeny of behavior in Przewalski horses	41
Goats	
Feral goat social organization: a review and comparative analysis	209
Grazing behaviour	
Grazing behavior of rangeland beef cows differing in milk production	315
Grazing behavior responses of rangeland beef cows to winter ambient temperatures and age	201
Use of habitats by free-grazing sheep	223
Variation in the grazing behaviour of dairy cows measured by a Vibrarecorder and bite count monitor	329
Habitat	
Use of habitats by free-grazing sheep	223
Hierarchy	
Buddies and bullies: social structure of a bachelor group of Przewalski horses	169
Social behaviour and relationships of Przewalski horses in Dutch semi-reserves	71
Social interactions of the Przewalski horse (<i>Equus przewalskii</i> Poliakov, 1881) herd at the Munich Zoo	89
Spatial-ethological organization of the herd of Przewalski horses (<i>Equus przewalskii</i>) in Askania-Nova	99
Homeostasis	
The effects of neonatal social isolation on the behavior and endocrine function of Holstein calves	293
Horse	
The older horse (book review)	381
Housing	
Discrimination by hens in favour of litter rather than wire floors? (Letter to the Editor) ..	363
Diurnal rhythm of bar-biting in relation to other behaviour in pregnant sows	337
Factors influencing sexual behaviour of young <i>Bos indicus</i> bulls under pen and pasture mating conditions	281
Resting behaviour of Belgian White-Blue and Friesian fattening bulls in a tie-stall barn ..	259
Social behaviour of Przewalski horses (<i>Equus p. przewalskii</i>) in the Cologne Zoo and its consequences for management and housing	117

The effect of enclosure size on social interactions and daily activity patterns of the captive Asiatic wild horse (<i>Equus przewalskii</i>)	147
Time budgets of adult Przewalski horses: effects of sex, reproductive status and enclosure	19
Imprinting	
Pecking: another measurement for filial attachment in group-reared domestic fowl chicks	357
Infanticide	
A case of male infanticide in <i>Equus przewalskii</i>	187
Investigatory behaviour	
A study of the investigatory behavior of the dairy cow	191
Management	
Social behaviour of Przewalski horses (<i>Equus p. przewalskii</i>) in the Cologne Zoo and its consequences for management and housing	117
Mating stimulus	
Factors influencing sexual behaviour of young <i>Bos indicus</i> bulls under pen and pasture mating conditions	281
Milk production	
Grazing behavior of rangeland beef cows differing in milk production	315
Relationship of three measures of behavior to milk production	307
Mutual grooming	
Social interactions of the Przewalski horse (<i>Equus przewalskii</i> Poliakov, 1881) herd at the Munich Zoo	89
The effect of enclosure size on social interactions and daily activity patterns of the captive Asiatic wild horse (<i>Equus przewalskii</i>)	147
Nest-building	
Diurnal rhythm of bar-biting in relation to other behaviour in pregnant sows	337
Oestrus detection	
Behavioral patterns of Zebu bulls towards cows previously synchronized with prostaglandin F2 α	267
Ontogeny	
Ontogeny of behavior in Przewalski horses	41
Parlor behaviour	
Relationship of three measures of behavior to milk production	307
Pecking behaviour	
Pecking: another measurement for filial attachment in group-reared domestic fowl chicks	357
Pedometer	
Grazing behavior of rangeland beef cows differing in milk production.	315
Variation in the grazing behaviour of dairy cows measured by a Vibrarecorder and bite count monitor	329
Pigs	
Diurnal rhythm of bar-biting in relation to other behaviour in pregnant sows	337
Plant communities	
Use of habitats by free-grazing sheep	223
Prostaglandin F2α	
Behavioral patterns of Zebu bulls towards cows previously synchronized with prostaglandin F2 α	267
Przewalski horses	
A case of male infanticide in <i>Equus przewalskii</i>	187
Buddies and bullies: social structure of a bachelor group of Przewalski horses	169

Editorial	1
Ontogeny of behavior in Przewalski horses	41
Social behaviour and relationships of Przewalski horses in Dutch semi-reserves	71
Social behaviour of Przewalski horses (<i>Equus p. przewalskii</i>) in the Cologne Zoo and its consequences for management and housing	117
